

THE KEISER CLINIC

Patient Accommodations Guide — Apartments 2A & 2C

Important Booking Information

These apartments fill up very quickly. If you would like to book one during your treatment, we highly recommend contacting us ASAP. We book these apartments for a **minimum of 5 nights**.

Note: These apartments are exclusively for patients and are not available on Airbnb or VRBO to allow you to save on fees. Since we do not host these rentals through those platforms, we do not have the insurance policies they provide. Therefore, we kindly ask that you treat each apartment like your home and with respect. You will be held responsible for any damages.

Payment Method: Payment must be made in full at the time of booking via check (payable to *NCK properties*, 13501 Trinkle Rd. Chelsea, MI 48118), Zelle (please request), or Venmo (@*Claire-Keiser*).

Downtown Location & Proximity

Both apartments are located in the heart of charming downtown Chelsea, making them incredibly convenient for your walks to the clinic (just a 3-minute walk!). Please note that because of this central downtown location, the building sits close to the local train tracks. While this adds to the historic town character, you will hear the train pass by from time to time.

To help ensure you have a comfortable and restful stay, **we are happy to provide a white noise machine and earplugs in each apartment** for your convenience.
